2011 Essex Park Pool Regulations and Application

All residents, tenants and guests must produce a valid pool badge affixed with a 2011 sticker in order to have access to the pool during designated operating hours. Every residence is permitted three (3) resident passes and two (2) guest passes available for \$20.00 each.

If the unit is rented, the owner may give his privileges to his tenant by signing the application and having the tenant fill out the application on the next page and mailing the signed, completed application back to the office.

All children of swimming age must have their own pool passes.

Please note that there is no charge for your 2011 resident stickers. There is a charge of \$20 for guest stickers and replacement badges (both resident and guest).

Badges will not be issued or validated to any unit owner that is not in good standing with their maintenance fees. All past due amounts must be paid in full to receive badges or have your badges validated. This would include any past due maintenance fees, late fees, fines, or penalties that are due on your unit.

In order to receive 2011 pool stickers and/or to apply for new or replacement badges, please fill out the application on the next page and return to the Essex Park Condo Association at the address above.
